①
THE ONLY ONE

I am the vagrant pilgrim

I am the Bastard son

I am the Hopeless sinner
that hides in everyone

I am the green leprosy

The devil is in my blood

I am the executed

Whos time has come and gone

== AND I'm Not the ONLY ONE ==

I am the Beggars offering

I am the Cripples loss

I am the Fear of Falling

and Never getting up

I am the long forgotten

I am the Fools Remark

I am the Vace of Treason

is Every right gone wrong

== AND I'm Not the ONLY ONE ==

== THE ONLY ONE ==

MEAN 2 ME (2)

you're a shadow on the wall
you're a drinker in the hall
you're a voice I can't recall
you're the reason I feel small
you're as far as I can fall

you're a nuisance in my dreams
you're a stain that won't ever clean
you're a lie I once believed
you're the truth I'll never see
you're the reason I should leave

— That's what you mean to me —

you're the joke I'll never get
you're the reason for my tick
you're the smoke that's in my eyes
you're the heartbreak in my smile
it should last a good long while

— That's what you mean to me —

you're the reason for this song
why I've been alone so long

you're my future + my past

— you're the words I can't talk back

you're the questions I won't ask

— That's what you MEAN 2 ME

SWEET SINNER

I don't want to be the one I look 4
when the Day is through

I don't want to be the one I turn 2
when you finally lose

- You're on your own Sweet Sinner
- IN your cold Sweet lie

I don't want to see the way you're
pimping out your Heart + Soul

I don't want to hear you say
How you have complete control

- You're on your own
- Sweet Sinner, IN your
"cold sweet" lie

you don't want to know the
price you're paying for your
wicked ways. you don't
want to know the Hell
that's waiting when your
game is played..

- chorus

Fake it

EVERYBODY wants to know
How it feels to sink so low
I REPLY ITS NOT THAT BAD
ONCE YOU KNOW THERES NO WAY BACK
Now you might think you'd feel ashamed
ONCE you went thru all the pain
But luckily its not that way
No you dont feel a god damned thing
AND YOU DONT HAVE TO FAKE IT -
- YOU DONT HAVE TO FAKE IT ANYMORE -
- YOU DONT HAVE TO FAKE IT ANYMORE -
WHEN YOU THROW IT ALL AWAY
you get NOTHING they can take
~~IT DOESNT MATTER WHERE THEY HIT~~
~~WHEN YOU JUST DONT GIVE A SHIT~~
IT DOESNT MATTER WHERE THEY HIT
WHEN YOU JUST DONT GIVE A SHIT
- THEN YOU DONT HAVE TO FAKE IT -
- YOU DONT HAVE TO FAKE IT ANYMORE
- YOU DONT HAVE TO FAKE IT -
- ANYMORE

FAR FROM GRACE

WELL YOU DONT NEED ANYONE TO TELL
YOU WHAT IT IS YOU'VE DONE WRONG
DONT NEED ANYONE POINTIN' OUT ALL
THE OTHER WAYS YOU MIGHT HAVE GONE
AND YOU DONT NEED SYMPATHY SHOWN
IN THE EYE & EVERYONE YOU'VE HATED
DONT NEED TO BE CRITICIZED, ANALYZED
CERTAINLY, UNDENIABLY TOLD —

- When you've Fallen, yeah you've
- Fallen... Far From Grace

WELL YOU'VE GONNA HEAR A LOT OF GOOD ADVICE
FROM EVERYSIDE, ON HOW YOU OUGHT TO MAKE
UP YOUR MIND — THEY DONT KNOW THAT VERY
FEW EVER CHOOSE THE PATH THEY'RE GONNA
TAKE TO FOLLOW THROUGH LIFE

- IF YOU'VE FALLEN, YEAH YEAH —
- Fallen Far From Grace —

SO IT AINT LIKE ANYONE EVER KNOWS
WHAT IT IS YOU'LL HAVE TO DO TO
SURVIVE — IN THE END YOU'RE ON YOUR
OWN, YOUR ONLY HOPE IS HOLDING ON
TO WHAT INSIDE YOU KNOWS RIGHT

- When you've Fallen —
- Yeah you've Fallen —
- Far From Grace —

ON THE OTHER SIDE

I was standing in the road, thinking
How I'm getting old, wondering
How to get Back Home... I was
walking in my sleep, Hoping I
might find some peace, to Summer's
To be Free —

—THERES a picture in my mind—

+ you + I are side by side —

— Another place, Another time —

— See you on the other side —

I was knocking on a door, that
never kept me out before, aren't
I welcome any more? I was
looking for the key to who I
use to want to be, back when
I was chasing dreams —

—THERES a picture in my mind—

X THERES a shadow in the sky X

X Follow upward with my eyes X

X gonna take it as a sign X

X see you on the other side X

you look like you might feel the
same tired of standing in the rain
waiting for a better day... well
every storm has got to break
theres no holding back the
change... in this alone you
must have faith...

— X chorus X —

TERMS OF THIS AFFAIR

You won't Ever say you love me
You won't Ever say you care
You won't Ever say you miss me
When you wake and I'm Not there

I won't tell you that I want you
in my arms most all the time
and I'm almost going crazy
cause I know you can't be mine

- Yes, I'm Fully Aware -
- OF THE TERMS OF THIS AFFAIR -

IT MEANS NOTHING THAT YOU CRYING
EVERYTIME WE SAY GOODBYE

AND THE ONLY TIME I'M HAPPY
IS THE TIME YOU'RE BY MY SIDE

- YES, I'm Fully Aware -
- OF THE TERMS FOR THIS AFFAIR -

AND THE DAY WILL COME ITS OVER
AND WE WILL NOT QUESTION WHY

cause it really Doesn't matter
WE BOTH KNOW IT ISN'T RIGHT

- Yes I'm Fully Aware -
- OF THE TERMS OF THIS AFFAIR -

UNFORGIVEN

IM A FOOL, YES I BROKE THE RULES
YES I FOLLOWED MY OWN DREAM
I WENT OUT WHEN THE MOON WAS FULL
AND I SET MY POOR SOUL FREE
AND FOR MY EVIL WAYS —
YOU SAY I HAVE TO PAIN —

= BUT I WANT / KNEEL AND BEG

= JUST TO BE FORGIVEN BY YOU
I WAS DESPERATE TO BE FORGIVEN
UNTIL I FINALLY SAW

I COULD TRY FOR A THOUSAND YEARS
AND STILL WOULD NOT BELONG
WHY SHOULD I CARE AT ALL —

IF I'VE DONE SOMETHING WRONG

- CAUSE I WANT KNEEL AND BEG

- JUST TO BE FORGIVEN BY YOU
NOONES SAFE THERE'S NO HIDING PLACE

THERES NO SHELTER FROM YOUR SCORN
YOU'VE ACCUSED ME OF BEING SOMETHING

THATS LESS THAN WHAT YOU WANT
NO MATTER HOW I CHANGE

I THINK YOU'LL FEEL THE SAME

= BUT I WANT KNEEL + BEG...

HOPELESS

Doesn't take more than 1/2 of My Fingers
To count 'em all up - If you take away
The once upon a time and the ones that
Have save how just gone wrong...
It brings it Down to just a few

and fewer still that have stayed true
* So I lose you win, I'm out here in
* From where I stand it might look hopeless
I JUST NEVER NOTICED

you could say that a hard learned lesson
is the kind you learn twice, once because
you don't know nothing, and once again
to get it right and even though it does
no good, although you tell yourself it should
* I'm lost, she's found, she's up, I'm down
x yes I see how it might look hopeless
X I JUST NEVER NOTICED

I tell myself it really doesn't matter how
the story unfolds, as long as I can wake up
in the morning there's a chance I can
let it go, and rise above these petty things
that keep a dreamer from his dreams

* Whos right, who's wrong
* When love is gone, you can't hold on
* To try is hopeless...
* I JUST NEVER NOTICED

~~I JUST NEVER NOTICED~~

IN NO MAN'S LAND

I'm not as lonely here
As you'd expect
I have a lot of friends
Among the Dead
AND though we DON'T TALK much
We love to Dance
SO DO NOT Pity me IN NO MAN'S LAND

I have a History
BUT DO NOT ASK
For it means nothing now
There's no way back
See I have memories
like bloody Wounds
I hope to wash away
IN NO MAN'S LAND -
So come and visit me
When you've the chance
AND maybe Face to Face
you'll understand
I'll be forever more
the outside man
Now in an Imigrant IN NO MAN'S LAND -

NO ONE BUT YOU

I'll make NO Excuses —
I'll tell you NO LIES —
Cause I KNOW I'D REGRET IT —
Till THE DAY THAT I DIE —
So whatever I say here —
You can count on as true
like here in this crowded room
I see NO ONE BUT YOU —
Well, I haven't lived Easy
Haven't always done right
Despite my intentions of
WALKIN' that LINE —
But in this I'm committed
And know just what to do
Cause here in this crowded room
I see NO ONE BUT YOU X Z
So DON'T JUDGE me quickly
Don't Turn me away
Before you consider these
Words that I say... See I've
made my Decision and I'm
Followin' thru... Cause here
in this crowded room I see NO ONE BUT YOU

DEVIL DOG

Let me tell you if you dont know
im AT THE Point of losing All control
UNFORGIVEN, TURNED AWAY
For reasons that you Never have
explained..

* But you've made it clear

* Im a stranger here

* By which you mean

* I dont belong, AND I SAID

* All Along THAT IF YOU DID ME

* Wrong I'd become A Devil Dog

Yes I promised to do my Best

AND IN MY WAY THATS ALL I

EVER DID.. Still I failed you

or so you say.. Despite

the fact I gave my everything

* CHORUS * * *

SO GO ON Judge me AND

PUT me Down, make it

clear you DONT want me

AROUND... But if you BURN

me.. you're BURNING too

IF ITS the last thing that I Do

—chorus—

WICKED STATE OF MIND

lately I Been thinking some things
I hate to admit... lately I
Been saying some things, Best
left UNSaid... I'm in a wicked
state of mind, in a wicked state
of mind, most all the time...
Looks like I've crossed that line &
lately I been seen around town with
undesireable types, goin' into places
no one with any respect would
waste a night... * I'm in a
wicked state of mind x 2 - most
all the time... looks like I've crossed
that line, stepped over to the
darker side - look into my eyes
you'll see they're cold as ice,
and right behind you're gonna find
A WICKED state of MIND *

lately I Been ASKIN' Myself
is THIS the Best that I gets
lately I Been tellin' my self
you better get ~~it~~ USED
TO IT. Cause... *
